

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 13, 1995

SUBJECT: **SB 680 - HB 1231**

This bill, if enacted, will authorize counties by a two-thirds vote of the county legislative body to establish a curfew which, except under certain circumstances, would prohibit persons under 18 years of age to be, or remain, in any public place or establishment as defined by the bill between the hours of 12:00 midnight and 6:00 a.m.

The first violation of the curfew will subject the violator to provide 10 hours community service, the second violation to 40 hours of community service, and the third and subsequent violation to 100 hours of community service and loss of driving privileges for one year.

The bill will also require a penalty to be imposed on the parents or guardians of any minor violating the curfew of either the performance of an equal number of community service hours as the minor or a \$50 fine.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill will depend upon the number of persons convicted of this offense and the resultant increased

cost to local governments to supervise such persons in community service work versus the increased revenues to local governments from fines levied and collected under the provisions of this bill. Therefore, the fiscal impact cannot be readily determined, but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
